IN MEMORIAM

In sad but loving memory of William B. Totty who passed away one year ago today, October 26, 1976.

October brings sad memories of our loved one who has gone to rest.
And those who don't forget are the ones that loved you best.
God gave us the strength to endure the blow, but what it meant to lose you no one will ever know.

There is no way to count the tears we have shed.
While lying sleepless at night in our beds.
Words cannot describe the sadness and emptiness we feel.
We have tried in vain to convince ourselves your death was not real.

If only we could see and touch you again.
It would be a happy beginning without an end.
Your loving smile and gentle face.
No one will ever fill your vacant place.
We thank God for the good times we shared together.

The memories we have of you dear, We'll treasure forever and ever.
Your lonely hours, your days of pain.
Your weary nights have passed.
Your patient soul rest at last

Sadly missed

Record Earnings Noted For Fidelity

Lynchburg, Va., Fidelity American Bankshares, Inc. recorded the highest quarterly earnings level in the company's history during the third quarter of 1977. This is its seventh consecutive quarterly increase in operating earnings.

Income before securities gains and losses was up 21.7% per share to $1,522 million or $0.58 per share in the third quarter of 1977 from $1,174 million or $0.46 per share for the same quarter of 1976.

As a result of the consistent earnings improvement, the company was able to record in the third quarter an extraordinary tax credit of $770 thousand or $0.31 per share. This represents tax benefits generated, but not used, in 1974 and 1975. Net income for the quarter ended September 30, 1977 was $2,299 million or $0.87 per share, up 67.3% compared to $1,340 million or $0.52 per share for the third quarter of last year.

Alvin R. Clements, president, in announcing the unaudited financial performance for the third quarter of 1977 noted that "the substantial increase in operating earnings was generated mainly by the growth of the company coupled with continued expense control."

Clements said, "Significant improvement in our lending performance is evident in both the quantity and quality of the loan portfolio." Average loans are up 12.2% from the same quarter last year. The company's valuation reserve, 0.96% of net loans at the end of the third quarter of 1976, now stands at 1.14% of net loans. Clements stated, "The low level of net loan charge-offs during the past nine months is responsible for this increase in our valuation reserve." Fidelity American's valuation reserve now totals a record level of over $6.5 million.

Fidelity American is a Virginia Multi-Band Holding Company with assets of $928 million, having fifteen statewide bank affiliates with 81 offices as well as eight bank-related affiliates.
